OBJECTIVE

Frontend developer and mobile app enthusiast with a focus on creating intuitive and visually appealing applications. Seeking a role to utilize my skills in React, React-Native and mobile-first design to contribute to innovative projects and deliver seamless user experiences across platforms.

PROJECTS

EGGSPRO APP(REACT NATIVE)
Built a user-centric mobile app frontend in React Native(Typescript) for an e-commerce platform. Implemented reusable components, a sliding sidebar, and a fixed footer bar for improved accessibility. Styled the app with a cohesive theme.
